CAROL DEAN PORTER Jumper Style of Riding Award
given in honor of Carol Dean Porter and receiving
the Carol Dean Porter Jumper Style of Riding Trophy

To be awarded to the jumper rider who exhibits the best classical jumper style of riding during the Portuguese Bend National Horse Show. The Jumper Judges will give consideration to those riders in the major jumper classes of the show. The predominant criteria of the award is jumper style of riding, along with performance in the major jumper classes.

The winner will be awarded the Carol Dean Porter Jumper Style of Riding Trophy. Carol grew up in Rolling Hills and rode from an early age. In the Junior Jumpers she was a force to be reckoned with. Following her junior years she became a professional and rode competitively at the highest levels, including winning the High Jump Competition at the GTE Classic in Huntington Beach. PCHA MEDAL FINALS

134. PCHA HORSEMANSHIP FINALS, 14 & UNDER, WARM-UP

Fences - 3'3"

Entry Fee - \$55

Order of go for the warm-up will be the same as Round 1 of the Finals.

135. PCHA HORSEMANSHIP FINALS, 14 & UNDER

Fences 3'3"

Entry Fee - \$150

Eligibility - Any rider who has qualified for the PCHA Horsemanship Class Finals during the year following the previous PCHA Horsemanship Class Finals competition.

The same horse must be ridden through all phases of the competition. However, due to illness or injury of the horse, a rider may petition to ride a substitute horse, but this must be approved by the Appeals Committee consisting of the Manager, the Chief Steward, the Technical Delegate, and the Official Horse Show Veterinarian.

Schooling - Only material provided or previously approved by the organizing committee may be used, and must be available for all competitors to use while warming up. **Starting thirty (30) minutes prior to the competition and while the class is in progress, medal horses may jump in the designated schooling area only. This rule includes the Finals Warm-Up Round. If a medal competition horse jumps in an area other than the designated schooling area during that time, the medal class exhibitor will get a zero score for that round.** Anyone can ride in the designated schooling area on a medal finalist's horse.

Course - Three (3) rounds, consisting of a course of at least eight fences about 3'3" in height. There must be one combination, at least 2 changes of direction and 2 tests (USEF 1-18) included as part of the original course. Course designer(s) must confer with the judges during the course walk set aside for them exclusively. Judges should review the course and suggested tests, and may make modifications in conjunction with the course designer prior to the general course walk. Course will not be posted until Course Designer and Judges have conferred and agreed on the tests.

Judging - There will be 2 judges using the open numerical system. Judges may use whole numbers or any fraction thereof; however, if necessary judges may use the same score more than once. The rider's score in each round will be an average of each judge's score. During the three (3) rounds, the judges will sit apart. If a fourth round (work-off) is necessary, the judges will sit together.

Competition -

Round 1: All eligible riders; order of go will be drawn. Ribbons awarded through 10th place. Ties will remain tied and riders will flip for ribbons.

Round 2: All riders will return for Round 2. The order of go for Round 2 will be a simple jumper rotation of the first round, regardless of any scratches. Example: If there is a class of 45 riders in the 1st round, divide by 2 and round to the higher number (23.) Thus, the 2nd round will run with 24th through 45th followed by 1st through 23rd. Ribbons awarded through 10th place. Ties remain tied and riders will flip for ribbons.

Round 3: The top 12 riders from Rounds 1 and 2 and any additional riders with a score of 80 or better will be eligible to ride in Round 3. The average from Round 3 will be averaged with the combined average from Rounds 1 and 2.

The rider's combined average will be used to establish the order of go - lowest first, highest last. In case of ties, the order will be the order of Round 1. After completion of the final round, any riders having less than three (3) points separating them from the leader will be required to perform additional tests at the discretion of the judges. All riders will remain in the ring with no additional schooling allowed. Finals work-off score is not to be announced, and will be added to the rider's total. Ties in Round 3, not involving 1st place, will be broken by using the rider's scores in Round 2.

Schedule & Awards - Order of go will be drawn at a complimentary buffet dinner sponsored by the Tuffli Family Foundation for the Finalists and three guests on Friday afternoon, following the conclusion of the horse show classes.

By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach Driver, Handler, Vaultor or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury, and in some cases death, because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance, and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person, all of which may cause the rider or observer to fall, be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to the observer or rider or to another horse – a loose horse can run at a full gallop in a panic and run into objects, or persons or other horses. **The Show Ground Facilities** are bordered by highways & roads and thus noise from the traffic and other sources occur that can and will cause a horse to unexpectedly spook and react quickly. **The Show Ground Facilities** contain roads and driveways that are traversed by cars, golf carts, tractors, trailers, and heavy equipment, all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered, but it is agreed this is not an exhaustive list and there are numerous additional conditions, and/or events that may result in injuries while participating in the Competition and/or being present on the **Show Ground Facilities**.

2. CLOSED RINGS

5. CONFLICTS

It is the intention of management to avoid holding rings to wait for horses and/or riders. Competitors with conflicts must arrange their jumping order with the starters so that they will not hold up a class. Starters have the authority to scratch competitors who are not timely. Trainer conflicts are not considered legitimate conflicts.

6. DOGS!!!

Dogs are a serious safety and health problem at a horse show. All exhibitors are urged to leave their dogs at home. Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

31. HELMET RULE

It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competition when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Exception: in Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the National Anthem only; they must refasten their headgear prior to the lap of honor. It is compulsory for riders in Paso Fino classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition ground to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee, Competition Management, and Licensed Officials must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.

32. PARKING

All exhibitors parking will be across Hawthorne Boulevard. Complimentary shuttle provided to stable area. Paid VIP parking WILL be available on a first-come basis.

33. NO SMOKING IS ALLOWED ON THE SHOW GROUNDS, AS ERNIE HOWLETT PARK IS A CITY PARK.

34. COMBINING/SPLITTING OF CLASSES: IN ALL "A" RATED HUNTER SECTIONS

Should entries warrant, all "A" rated hunter sections will be split or combined following USEF rules and will be done so at the close of the horse show office on the evening preceding the first class in each section; therefore entries MUST be completed for "A" rated hunter divisions accordingly to be considered. Same day scratches and/or "no-shows" at the gate in all "A" rated hunter sections will forfeit their entry fee unless a Certificate from the Official Show Veterinarian vet scratch for the show is received by the official show secretary prior to the section in question. Should same day scratches or no-shows result in insufficient entries to keep sections split, sections will be combined. "Non-showing" fees will be assessed accordingly.
