PCHA MEDAL FINALS

134. PCHA HORSEMANSHIP FINALS, 14 & UNDER, WARM-UP

Fences - 3'3"

Entry Fee - \$60

Order of go for the warm-up will be the same as Round 1 of the Finals.

Order of go for the Finals **MUST** be followed unless permission is given by the T.D.

135. PCHA HORSEMANSHIP FINALS, 14 & UNDER

Fences 3'3"

Entry Fee - \$150

Eligibility - Any rider who has ridden in the PCHA Horsemanship Class Finals during the year following the previous PCHA Horsemanship Class Finals competition.

The same horse must be ridden through all phases of the competition. However, due to illness or injury of the horse, a rider may petition to ride a substitute horse, but this must be approved by the Appeals Committee consisting of the Manager, the Chief Steward, the Technical Delegate, and the Official Horse Show Veterinarian.

Schooling - Only material provided or previously approved by the organizing committee may be used, and must be available for all competitors to use while warming up. **Starting thirty (30) minutes prior to the competition and while the class is in progress, medal horses may jump in the designated schooling area only. This rule includes the Finals Warm-Up Round. If a medal competition horse jumps in an area other than the designated schooling area during that time, the medal class exhibitor will get a zero score for that round.** Anyone can ride in the designated schooling area on a medal finalist's horse.

Course - Three (3) rounds, consisting of a course of at least eight fences about 3'3" in height. There must be one combination, at least 2 changes of direction and 2 tests (USEF 1-18) included as part of the original course. Course designer(s) must confer with the judges during the course walk set aside for them exclusively. Judges should review the course and suggested tests, and may make modifications in conjunction with the course designer prior to the general course walk. Course will not be posted until Course Designer and Judges have conferred and agreed on the tests.

Judging - There will be 2 judges using the open numerical system. Judges may use whole numbers or any fraction thereof; however, if necessary judges may use the same score more than once. The rider's score in each round will be an average of each judge's score. During the three (3) rounds, the judges sit apart. If a fourth round (work-off) is necessary, the judges will sit together.

Competition -

Round 1: All eligible riders; order of go will be drawn. Ribbons awarded through 10th place. Ties will remain tied and riders will flip for ribbons.

Round 2: All riders will return for Round 2. The order of go for Round 2 will be a simple jumper rotation of the first round, regardless of any scratches. Example: If there is a class of 45 riders in the 1st round, divide by 2 and round to the higher number (23.) Thus, the 2nd round will run with 24th through 45th followed by 1st through 23rd. Ribbons awarded through 10th place. Ties remain tied and riders will flip for ribbons.

Round 3: The top 12 riders from Rounds 1 and 2 and any additional riders with a score of 80 or better will be eligible to ride in Round 3. The average from Round 3 will be averaged with the combined average from Rounds 1 and 2. The rider's combined average will be used to establish the order of go - lowest first, highest last. In case of ties, the order will be the order of Round 1. After completion of the final round, any riders having less than three (3) points separating them from the leader will be required to perform additional tests at the discretion of the judges. All riders will remain in the ring with no additional schooling allowed. Finals work-off score is not to be announced, and will be added to the rider's total. Ties in Round 3, not involving 1st place, will be broken by using the rider's scores in Round 2.

Schedule & Awards - Order of go will be drawn at a complimentary buffet dinner sponsored by the Tuffli Family Foundation for the Finalists and three guests on Friday afternoon, following the conclusion of the horse show classes.

Equine Health Entry Requirements

Protecting the health of your horse and other horses at the Portuguese Bend National Horse Show is of the utmost importance. We are implementing Required Biosecurity Measures to decrease the risk of introduction and/or spread of contagious or infectious disease at our shows.

Horses must arrive only between the hours of 8 am - 5 pm daily. Off-hours arrival must obtain permission from Show Management 24 hours prior to arrival.

UPON ARRIVAL TO ERNIE HOWLETT PARK, ALL HORSES MUST HAVE/PROVIDE:

TRAINER DECLARATION OF HEALTH (REQUIRED):

Trainer must sign the Horse Health Declaration form (page 23) to confirm that all horses entering the show grounds have been in good health with no sign of infectious disease and have not had a fever above 101.5°F within the last 14 days. Signing this form confirms that the horses listed are not demonstrating any signs of EHV-1, have not had any known exposure to EHV-1 in 21 days, and are not coming from a property with known EHV-1 positive cases.

USEF VACCINATION RECORD (REQUIRED):

The USEF Vaccination Record form must be completed. The following information must be included: date of vaccination; place of vaccination, vaccine name, vaccine batch, and vaccine route mode. Form must be signed and stamped by attending veterinarian.

Within 6 months (180 days) of each show: **Equine Influenza**

Within 6 months (180 days) of each show **EHV 1 and EHV 4**

If a vaccination will expire during one of the shows, the horse must receive its new vaccination prior to being issued a competition number for that show.

PRESENTATION OF HEALTH REQUIREMENTS (REQUIRED):

The Equine Health Requirements are Required for all horses entering the Show Grounds both Showing and Non-Showing.

These documents must be in the Show Office before any competition numbers will be issued. In addition, random checks for Equine Health Requirements will occur. Be sure to keep a copy of all of your horse's Equine Health Requirements in an easily accessible spot (in your tack room or tack bunk, tack trunk, truck or trailer) to ensure you can comply with this requirement. The results on all required papers must indicate the horse's registered (show) name.

Any horse not accompanied by these documents will be directed to the Show Veterinarian to obtain the required documents and/or vaccinations, and/or will be placed in quarantined stabling until the proper documents are obtained. Any horse showing signs of fever/illness/stress is subject to examination by Officials and/or the Show Veterinarian, who may at their sole discretion, place the horse in quarantined stabling or take further action if deemed necessary.

These forms are required to bring a horse to the Portuguese Bend National Horse Show and must be submitted 24 hours before or upon arrival. These signed forms will be considered truthful and binding. In the event of any of these protocols being disregarded, we will refuse further entries from all related horses and we will inform USEF for further disciplinary action. Noncompliance with these protocols will result in penalties imposed by USEF on trainers and owners as well as competitions that knowingly permit non-compliant horses on the showgrounds. The required forms can be found in this prize list and at USEF.org.

A microchip used to verify identity must be a fifteen-digit ISO compliant 11784/11785 chip and be implanted in the nuchal ligament of the animal. All horses that are competing in classes which require USHJA registration which are not microchipped will be ineligible to compete in Federation licensed competitions, Exceptions: USHJA Outreach and those activities enumerated in GR901.9.

(MINIMUM OF \$25)** Accounts will be given ten days to be paid in full with cash or cash equivalent or they will be turned in to the USEF and the PCHA for further disciplinary action.

20. CONDITION OF ENTRY AND ASSUMPTION OF RISK

Every horse entered for competition will be under the control of Horse Show Management, but the Horse Show Management will, in no case, be responsible for any loss or damage that may occur and it shall be a condition of entry that each exhibitor shall hold the Horse Show (competition) and its' officials, employees, directors, officers, Portuguese Bend National Horse Show, Peninsula Committee Children's Hospital, Equestrian Enterprises, Inc., Children's Hospital Los Angeles, the City of Rolling Hills Estates, and sponsoring entities harmless for any loss or accident to his/her horse, employees or equipment which may occur from sickness, fire or other cause.

By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach Driver, Handler, Vaultor or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury, and in some cases death, because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance, and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person, all of which may cause the rider or observer to fall, be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to the observer or rider or to another horse – a loose horse can run at a full gallop in a panic and run into objects, or persons or other horses. **The Show Ground Facilities** are bordered by highways & roads and thus noise from the traffic and other sources occur that can and will cause a horse to unexpectedly spook and react quickly. **The Show Ground Facilities** contain roads and driveways that are traversed by cars, golf carts, tractors, trailers, and heavy equipment, all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered, but it is agreed this is not an exhaustive list and there are numerous additional conditions, and/or events that may result in injuries while participating in the Competition and/or being present on the **Show Ground Facilities**.

21. UNPAID CHARGES/ UNCOLLECTED FUNDS

25. CONFLICTS

It is the intention of management to avoid holding rings to wait for horses and/or riders. Competitors with conflicts must arrange their jumping order with the starters so that they will not hold up a class. Starters have the authority to scratch competitors who are not timely. Trainer conflicts are not considered legitimate conflicts.

26. DOGS!!!

Dogs are a serious safety and health problem at a horse show. All exhibitors are urged to leave their dogs at home. Management reserves the right to call Animal Control if necessary. **ALL DOGS AND OTHER PETS MUST BE ON LEASHES AT ALL TIMES!!!** USEF GR 1301.6 —Dog owners failing to comply with this rule may be subject to penalty under chapters 6 and 7, as well as issuance of warning cards.

Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

It is compulsory for riders in Paso Fina classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear. It must be properly fitted with harness secured.
